In this second edition of the popular Fundraising on the Internet, Mal Warwick, Ted Hart, Nick Allen, and a sterling group of experts in the field have completely rewritten the first-ever hands-on guide for navigating the ever-changing world of fundraising on the Internet. This no-nonsense book gets beyond the hype and hyperbole, and takes into account the new realities of the post dot.com crash marketplace to offer solid advice on how to use technology to raise funds. Both timely and informative, this invaluable resource will be kept current with frequent e-mail updates from the authors.
